- 📖 *If unable to keep your scheduled assignment, please trade assignments with another or otherwise secure a reliable replacement. A new roster is distributed with this schedule. Please save it to your favorite directory so it is handy if you need to contact another lector.*
- 📖 *Note a regular lector will be scheduled for the 5:00 PM Sunday Mass until enough youth lectors are able to consistently cover this assignment. Be prepared to cover both Lector and Commentator roles.*
- 📖 *Many lectors changed their preferred Mass. Please introduce yourself when serving with someone 'new' to 'your' Mass.*
- 📖 *Fewer Masses, in general, equals fewer assignments. We did lose a couple of lectors, but on average, more lectors prefer any given Mass time than before. Nearly half prefer the Saturday Mass. If you want to lector more often consider changing your preference.*
- 📖 *Requests for the November / December schedule (including Christmas and New Years) are due by Sunday October 15. E-mail to bdwirth@roadrunner.com or phone or text message to 716.863.3638. Schedules will be distributed by the weekend of October 21 / 22.*
- 📖 *Thank you for your service to Church of the Annunciation parish.*
