

P.O.P CULTURE

People of Praise

creating a culture of worship

Information:

What to expect:

This group was created to give teens and young adults an outlet for their talent in our church. To help them realize their ministry and value as to have fun worshipping God! We are also an outward focused ministry, praying for opportunities to use music as outreach and to build community.

- * You can expect support from the parish and your director.
- * You can expect that all your time and effort will be appreciated (as much or as little as you are able to offer)
- * You can expect to learn about liturgical music ministry in the Catholic Church and experience traditional as well as contemporary worship

What we expect:

- * For you to participate as often as possible to help create a cohesive sound and quality ministry.
- * For you to know your parts - rehearsal time is minimal so it requires you to work on your own.

extra rehearsal times will be available for cantors and/or instrumentalists... so that you will be confident with your parts.

- * For you to have fun.

Director: *Carrie Ann Ford*

Elma native, Carrie has travel through 23 countries as a music and drama missionary. She was a preK-8 grade music teacher and even taught here at Annunciation for several years! She has led successful children's choirs and is a regular parish music minister at several churches in the area.

Carrie travels around Western NY and across the country sharing her music and testimony with audiences of all ages for retreats, conferences and concerts. Her passion is for teens and young adults so she is really excited about building this ministry with the talented young people here at Annunciation.

What: **People Of Praise**

Will help create a culture of praise and worship, through this new contemporary music ministry.

When:

We will share our gifts at the 5pm mass, two Sundays most months (Sept-May) with other opportunities through out the year too!

Who: **Anyone who is...**

*Willing to share/find their gifts & get involved (minimal rehearsal to fit into your schedules)

*Singers: melody, harmony, soloists & cantors (all levels welcome)

*Instrumentalists piano, keyboard, drums, guitars (rhythm, lead & bass) woodwinds & strings...if you play it, we want it!
